[civilaviationawards.co.za](http://civilaviationawards.co.za)

Acupressure on the feet often is referred to as reflexology, though the two are subtly different. It's more difficult to self-administer acupressure on the feet, so you might need your partner or an acupressure specialist to help out. Each foot represents a different side of the body and the corresponding organs found in that half.
