Agent of the Fae, book 4 of the Dark Fae FBI series, started off as another extended car chase scene--metaphorically speaking (see my book 2 review), but the pace of the quest was fast and ended within a few chapters, making it a reasonable length.

Well that's exactly how I feel about Agent of Darkness, the third book in the Dark Fae FBI book. This book was pure awesomeness. The authors have ramped everything up tenfold and it was just so exciting to read that I found it incredibly difficult to book the down (FYI, don't start reading this book just before going to bed).

Agent of Darkness is the third book in C.N. Crawford's Dark Fae FBI series, and, true to its name, it's one hellavuh trip into darkness. This book has by far been my favourite book in the series (perhaps Cassandra and I share a love of dark, twisty, and complicated things, LOL) and Agent of Darkness takes the action which has been evident throughout the entire series and ramps it up a notch, or ten.

Cassandra is an ex-FBI profiler who is also a pixie and a type of fae that feeds off of human fear. Roan is a fae whose entire family was slaughtered by an evil terror Fae, so he wants to hate Cassandra, but quickly realizes he can't. Cassandra is dragged into the fae world by family she didn't know she had.

The second book in the Dark Fae FBI series carries on with as much action packed tension as the first. I loved the first book in this series and the second was just as good. I love that this is set in London as it's my home city and the authors are incredibly accurate with their descriptions of the city and the places.

Agent of Enchantment; Dark Fae FBI, Book 1 ... There isn't much that wasn't great about the last book in the dark Fae series. It stretched the span of human emotion's. I would have loved a little more intimacy between the two main characters in this conclusion but otherwise well worth the time and money.

The final book in the Dark Fae FBI series. The Fae war is coming, and I'm caught right in the middle. My father, the ruthless Unseelie king, is dead. It should have been our moment of triumph. Instead, we find ourselves hiding in London from our ancient enemies, the Seelie. From Roan's city mansion, we need to unite the six Unseelie courts to fight back. Unfortunately, centuries-old feuds make this almost impossible. To make things worse, there's no good reason for anyone to listen to us. After all, I'm just a pixie bastard. Did I mention that my dread powers are gone? If that weren't enough, I need to decide if I want to live forever in the world of the humans, or the world of the fae with Roan. Sure--he's gorgeous and loyal, but do I want to spend forever in this chaos? As the Seelie encroach on our territory, it's time to see if Roan and I--terror and love--can really change the world together.

London is burning, and the fae are holding the matches. I am Cassandra Liddell: FBI Special Agent and bad-ass Pixie. After barely surviving my last assignment, I'm on the hunt for answers about my past, when bombs start exploding all over London. Fae terrorists have attacked and thrown the city into chaos. To make matters worse, my best friend Scarlett has been abducted, and her captor is playing a twisted game of "Simon Says," sending me riddles paired with impossible tasks. Roan, a seductive fae warrior, is willing to help me ... but of course he has a price. One I'm not sure I'm willing to pay. Hounded by supernatural pursuers and hunted by the CIA, I'm racing against time to save Scarlett, and to stop London from burning to the ground. Rage is simmering under the surface, and when it boils, I'll unleash a fire of my own.

There's a dark power growing within me. And I'm not sure I can control it. The fae king wants me dead. His assassins tracked me down and nearly killed me- now they're the ones lying lifeless in a pool of blood. But the price I've paid is too high. They hurt someone I love, and I burn for revenge. I'm done watching from the sidelines. Following the seductive fae Roan, I join the rebels but find myself surrounded by suspicion at every turn. But with the strange new magic in my blood, no one trusts me anymore. It's the magic of fear, of terror, of nightmares. The king's minions have given me another name: Mistress of Dread. My power is unstable and deadly, and to get my vengeance, I must learn to control it. Yet with fury boiling in my blood and desire for Roan kindling my heart, it seems like an impossible task. FBI Agent, Pixie, Terror Leech, Mistress of Dread. Will I become a King Killer as well?

The fae live among us. And one of them is a serial killer. I thought this would be a simple profiling case. Just another Jack-the-Ripper wannabe, prowling London's streets, searching for easy kills. I was wrong. This killer is fae, and he's as elusive as smoke on the wind. But I'm an FBI profiler, and it's my job to track him down. It doesn't matter that one of the main suspects--a lethally alluring fae--is trying to seduce me... or kill me, I'm not sure which. I won't be stopped, not even when panic roils through the streets of London, or when the police start to suspect me. As I close in on the killer, I follow him to a magical shadow realm that's like nothing I ever expected, where I'm hunted like prey. Fine. Bring it on. I'm an FBI Agent. And it turns out I have magical powers of my own.

Pour me venger, je suis prête à tout. Je ne suis pas sûre de pouvoir contrôler les ténèbres qui grandissent en moi. Elles sont trop sombres, trop puissantes, et tirent leur magie de la peur et des cauchemars. Ce n'est pas pour rien que les sbires du roi fae me surnomment la Maîtresse de l'Effroi. Un roi qui veut me voir morte, et qui n'a pas hésité à envoyer ses assassins pour m'éliminer. Mais ils sont allés trop loin et, maintenant, je brûle de me venger. Et si, pour cela, je dois rejoindre des rebelles qui n'ont aucune confiance en moi ou en ma magie, je n'hésiterai pas. Pour accomplir ma vengeance, je vais devoir apprendre à contrôler ce pouvoir qui m'échappe. Mais entre la fureur qui bout dans mes veines et le désir pour Roan qui embrase mon cœur, cela ressemble à une mission impossible. Agent du FBI, Pixie, Suce-Terreur et Maîtresse de l'Effroi. Je compte bien rajouter très prochainement « Tueuse de Roi » à la liste de mes titres. #UrbanFantasy #Fae #Action #Enquête

When it comes to crafting happily-ever-afters, the Agency is the best in the land of Kingdom. The Fairy Godfather Grimm can solve any problem—from eliminating imps to finding prince charming—as long as you can pay the price. Working for Grimm isn't Marissa Locks's dream job. But when your parents trade you to a Fairy Godfather for a miracle, you don't have many career options. To pay off her parents' debt and earn her freedom, Marissa must do whatever Grimm asks, no matter what fairy-tale fiasco she's called on to deal with. Setting up a second-rate princess with a first-class prince is just another day at the office. But when the matchmaking goes wrong, Marissa and Grimm find themselves in a bigger magical muddle than ever before. Not only has the prince gone missing, but the Fae are gearing up to attack Kingdom, and a new Fairy Godmother is sniffing around Grimm's turf, threatening Marissa with the one thing she can't resist: her heart's wishes. Now Marissa will have to take on Fairies, Fae, dragons, and princesses to save the realm—or give up any hope of ever getting her happy ending.

He must never realize who I am. I'm a demon slayer, so I lead a simple life slaughtering monsters. As long as no one learns that I'm descended from a forbidden line of Dragon Bloods,

I can keep my job and my life. But when a powerful Fae king realizes I'm his fated mate, I've got problems. Especially since A), he hates me and B), he learns my secret, and it puts my whole life at risk. I want to kill my mate. The stars align when my employers send me to the Fae kingdom to compete in the Trials of the Fae as an undercover agent. My real goal? Investigate the king for the murder of hundreds. But the king only has eyes only for me, even when I'm in disguise. He senses that I'm his mate, and our attraction is off the charts. No matter how much we mistrust each other, we can't stay apart. But when he realizes what I'm up to, there will be hell to pay. That is, if I survive.

La guerre Fae approche, et je me retrouve en plein cœur des hostilités. Mon père, l'impitoyable roi Unseelie, est mort. Ça aurait dû être notre heure de gloire. Au lieu de ça, nous voilà contraints de nous cacher à Londres pour échapper à nos ennemis ancestraux, les Seelies. Depuis le manoir de Roan, nous devons unir les six cours Unseelie pour organiser la riposte. Malheureusement, d'anciens conflits rendent cette tâche extrêmement difficile. Pour ne rien arranger, personne n'a envie de nous écouter. Après tout, je ne suis qu'une bâtarde pixie. Ai-je précisé que mes pouvoirs d'effroi ont disparu ? Et si tout cela ne suffisait pas, je dois décider si je souhaite finir ma vie dans le monde des humains, ou aux côtés de Roan, dans celui des faes. Bien sûr, il est loyal et beau comme un dieu, mais ai-je vraiment envie de passer l'éternité dans ce chaos ? Alors que les Seelies envahissent notre territoire, il est temps de savoir si Roan et moi, la terreur et l'amour, sommes capables de nous unir pour changer le monde. #Guerre #UrbanFantasy #Romance #Fae #Magie #Politique --- « Cette histoire est fantastique, pleine de retournements ! A spirit hunter is the target of deadly danger and Otherworldly lust in a paranormal thriller by the New York Times bestselling author of Vampire Academy. Eugenie Markham is a powerful shaman who does a brisk trade banishing spirits and fey who cross into the mortal world. Call her a mercenary if you want, but it's just business to her. Until now. Hired to find a teenager who's been taken to the Otherworld, Eugenie encounters a startling prophecy—one that uncovers dark secrets about her past and claims that her first-born will threaten the future of the world. Now Eugenie is a hot target for every ambitious demon in the Otherworld, and the ones who don't want to knock her up want her dead. Eugenie handles a Glock as smoothly as she wields a wand, but she needs some formidable allies for a job like this. She finds them in Dorian, a seductive fairy king with a taste for bondage, and Kiyo, a gorgeous shape-shifter who redefines animal attraction. But with enemies growing bolder and time running out, the greatest danger is yet to come, and it lies in the dark powers that are stirring to life within Eugenie herself. "Storm Born is my kind of book -- great characters, dark worlds, and just the right touch of humor. A great read." --Patricia Briggs

What do a heartless Dragon Shifter, a cold-blooded Basilisk, an arrogant Lion Shifter and a brooding, tattooed Harpy have in common...? Me. Elise Callisto. Vampire. Angel of vengeance. And a girl on a mission to destroy one of them for murdering my brother. I just don't know which one did it yet. When I kicked the ass of a Werewolf who was high on a new and dangerous drug called Killblaze, his final words painted a dark reality for me. The King of Aurora Academy killed my brother. The trouble is, there's four kings at that school and each of them have motive and cutthroat natures. Aurora Academy isn't a place for the faint of heart. To put it lightly, my town is the asshole of Solaria where the dodgiest Fae in the kingdom reside.

The school itself is divided by the two gangs who run this town. The Lunar Brotherhood and the Oscura Clan. And guess what? Two of the kings run the gangs at the school, their hatred for each other so fierce I hear a day doesn't go by without blood being spilled in the halls. I might be a petite, lilac-haired girl who looks like a fragile doll, but they haven't been introduced to my fangs yet. And they don't know why I'm really here. Or that I'll do whatever it takes to bring down the Fae who took my flesh and blood from me. I don't believe in fate, but I do know this... the King who killed my brother is a dead man walking. And I'm prepared to sacrifice my heart, body and soul to ensure I get my revenge. This is a reverse harem series set in the world of Zodiac Academy four years before the Vega Twins were Awakened. Expect some character cross-over, dark and hot romance, and a twisted murder mystery which will leave your head spinning.
