This softcover text centers on the communication skills necessary for conducting a successful job search or making a change in jobs. The ability to conduct research online, present a professional image, and communicate well with potential employers is critical to any job search. The workshops provided give instruction on how to create effective resumes and cover letters, search for job information, prepare for a successful interview, understand job expectations, and make a job change. Multimedia components enhance the impact of the workshops so users can complete a variety of exercises on the computer, watch video footage of people effectively communicating on the job, and use the Internet to conduct further research.

Designed specifically for undergraduate writing, this easy-to-use pocket guide provides complete guidance for new writers on effective, clear, and inclusive scholarly communication and the essentials of formatting papers and other course assignments.

More people write for The Associated Press than for any newspaper in the world, and writers-nearly two million of them-have bought more copies of The AP Stylebook than of any other journalism reference. It provides facts and references for reporters, and defines usage, spelling, and grammar for editors. There are separate sections for journalists specializing in sports and business, and complete guidelines for how to write photo captions, file copy over the wire, proofread text, handle copyrights, and avoid libel. This edition of The AP Stylebook keeps pace with world events, common usage, and AP procedures.

The Publication Manual of the American Psychological Association is the style manual of choice for writers, editors, students, and educators in the social and behavioral sciences, nursing, education, business, and related disciplines.
