Professional technicians have relied on the Chilton Labor Guide estimated repair times for decades. This latest edition expands on that reliability by including technical hotline feedback and research from professional labor experts. The labor times reflect actual vehicle conditions found in the aftermarket, including rust, wear and grime. Available in both hardcover and CD-ROM, this completely revised manual provides thousands of labor times for 1981 through current year domestic and imported vehicles. All times reflect technicians' use of aftermarket tools and training.

Glove Box Guide will help take away the confusion and mystery surrounding cars, teach women what they need to know about how their cars work, and what they need to do to keep them running smoothly. Patrice Banks was once like most of us: a self-professed “auto airhead” who was clueless about car maintenance, yet convinced that mechanics were taking advantage of her. Now she’s an auto pro devoted to empowering women to learn basic car repairs and knowing what to do in an emergency. So whether you get a flat tire when you’re stranded in the middle of nowhere, your car overheats, or a mysterious dashboard light suddenly starts blinking, help is just a reach-in-the-glove-box away.
