it is that the essence of learner autonomy is the ability to take charge of one's own learning. This foundational definition was provided by Holec in *Autonomy and Foreign Language Learning*, a report that was first published by the Council of Europe in 1979 (cited here as Holec, 1981). Holec wrote his report within the

Imported originally from the fields of politics and moral philosophy, "autonomy" is a multifaceted concept whose meaning has been discussed in the specialist language learning literature from many perspectives and in an increasingly academic fashion (see Benson 2001, 2007 for overviews). Here I take a few relatively standard definitions at face value and highlight their practical provenance and significance both as a "way in" to the specialist literature and as a kind of antidote to ...
