Comprehensive Guide on AWS Billing and Cost Management. AWS Billing and Cost Management is the service that you use to pay your AWS bill, monitor your usage, and budget your costs. The service automatically charges the credit card you provided when you signed up for a new account with AWS. Charges appear on your credit card bill monthly. You can view or update credit card information, and designate a different credit card for AWS to charge, on the <https://console.aws.amazon.com/billing/home?#/paymentmethods> page in the Billing and Cost Management console. For more information about accessing the console, see [Opening the Billing and Cost Management Console and Dashboard](#).

Ensure full pay for services provided by your nurse practitioners, physician assistants, clinical nurse specialists, and other mid-level clinicians. Staffing nonphysician practitioners (NPPs) enables your practice to see more patients, but the revenue benefits depend on your team's ability to navigate the complex set of NPP coding and billing rules. Do you know the guidelines that Medicare and other payers apply toward reimbursement of NPP services? Are you clear on the rules for direct supervision? How about reciprocity? If you're like most, you have more questions than answers. Getting incident-to billing right means 15% more in reimbursement. Getting it wrong could be considered fraudulent. With stakes this high, you need the Nonphysician Practitioner Reference Guide. This comprehensive resource provides expert guidance covering the scope of NPP coding and billing regulations. Understand the distinctions between shared visit and incident-to services and meet the troublesome requirements of audit-ready incident-to billing. Packed with authoritative tips, readers' Q&A, and handy clip-and-save tools—including an incident-to audit checklist—you'll master the reporting nuances of E/M services, prolonged services, virtual visits, and more.
