Med School Confidential from Robert H. Miller and Daniel M. Bissell uses the same chronological format and mentor-based system that have made Law School Confidential and Business School Confidential such treasured and popular guides. It takes the reader step-by-step through the entire med school process--from thinking about, applying to, and choosing a medical school and program, through the four-year curriculum, internships, residencies, and fellowships, to choosing a specialty and finding the perfect job. With a foreword by Chair of the Admissions Committee at Dartmouth Medical School Harold M. Friedman, M.D., Med School Confidential provides what no other book currently does: a comprehensive, chronological account of the full medical school experience.

Harvard Business School is the iconic business school. An admission ticket to HBS is a hot commodity and an HBS degree is highly respected in the business world. This book, written by an HBS grad and seasoned businesswoman, tells you why. It is a distillation of the most valuable and pragmatic but yet easiest to learn concepts taught at HBS.

toward building a productive, successful, and perhaps even pleasant law school experience—read this book! Written by students, for students, Law School Confidential has been the “must-have” guide for anyone thinking about, applying to, or attending law school for more than a decade. And now, in this newly revised third edition, it’s more valuable than ever. This isn’t the advice of graying professors or battle-scarred practitioners long removed from law school. Robert H. Miller has assembled a blue-ribbon panel of recent graduates from across the country to offer realistic and informative firsthand advice about what law school is really like. This updated edition contains the very latest information and strategies for thriving and surviving in law school—from navigating the admissions process and securing financial aid, choosing classes, studying and exam strategies, and securing a seat on the law review to getting a judicial clerkship and a job, passing the bar exam, and much, much more. Newly added material also reveals a sea change that is just starting to occur in legal education, turning it away from the theory-based platform of the previous several decades to a pragmatic platform being demanded by the rigors of today’s practices. Law School Confidential is a complete guide to the law school experience that no prospective or current law student can afford to be without.

that no prospective or current law student can afford to be without.

It's spring semester at Mirador High in Southern California, and twenty-four-year-old Jeremy Iversen is going deep undercover to deliver the real deal about the dull classes and fast times of American teens today. Trading in his suit and tie for jeans and skater shoes, Iversen posed as a senior transfer student. He took six classes five days a week, dissected a cat, got sent to detention, hung out at the mall, signed yearbooks, and graduated in cap and gown. He infiltrated the homes of his teenage friends, met their parents, and went to their parties. For one entire semester, he led the life of a modern-day high school student -- and lived to tell all about it. Going way beyond the usual clichés of jock and nerd, the book introduces readers to a revolving cast of fascinating characters from every walk of social life: promiscuous freshmen girls, lunchtime alcoholics, evangelical Christians, perfectionist drug dealers, masochistic vampires, steroid-raging baseball stars, and one principal who will stop at nothing to make her failing school look good. In this fast-paced exposé, Jeremy Iversen blows the lid off a secret world in which the sexual revolution runs unchecked, where the use of recreational drugs is chronic, and where apathetic teachers don't even bother to teach. This Wild West wonderland, however, lives
