Lyla feels ambivalent when the charismatic leader of her isolated suburban community is told that the end of the world is near and when it arrives they must all be ready to defend themselves against the unchosen.

In the mid-1980s, Amy Tan was a successful but unhappy corporate speechwriter. By the end of the decade, she was perched firmly atop the best-seller lists with *The Joy Luck Club*, with more popular novels to follow. Tan ' s work—once pigeonholed as ethnic literature—resonates with universal themes that cross cultural and ideological boundaries, and prove wildly successful with readers of all stripes. Tender, sincere, complex, honest and uncompromising in its portrayal of Chinese culture and its affect on women, Amy Tan ' s work earned her both praise and excoriation from critics, adoration from fans, and a place as one of America ' s most notable modern writers. This reference work introduces and summarizes Amy Tan ' s life, her body of literature, and her characters. The main text is comprised of entries covering characters, dates, historical figures and events, allusions, motifs and themes from her works. The entries combine critical insights with generous citations from primary and secondary sources. Each entry concludes with a selected bibliography. There is also a chronology of Tan ' s family history and her life. Appendices provide an overlapping timeline of historical and fictional events in Tan ' s work; a glossary of foreign terms found in her writing; and a list of related writing and research topics. An extensive bibliography and a comprehensive index accompany the text.

UNDERSTANDING FOOD: PRINCIPLES AND PREPARATION is ideal for an undergraduate course that covers the basic elements of food preparation, food service and food science. Contemporary and comprehensive in coverage, this best-selling food fundamentals text thoroughly explores the science of food through core material on food selection and evaluation, food safety and food chemistry. The sixth edition discusses classification, composition, selection, purchasing and storage for a range of traditional food items, and explores the various aspects of food service, including meal planning, basic food preparation, equipment, food preservation and government regulations. A new rich illustration and full-color photo program and unique pedagogical features make the information easily understandable and interesting to students. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

UNDERSTANDING FOOD: PRINCIPLES AND PREPARATION is a best-selling food fundamentals text ideal for an undergraduate course that covers the basic elements of food preparation, food service, and food science. Contemporary and comprehensive in coverage, it introduces students to the variety of aspects associated with food preparation. The Fifth Edition thoroughly explores the science of food through core material on food selection and evaluation, food safety, and food chemistry. Food preparation, classification, composition, selection, purchasing, and storage for a range of traditional food items are discussed, and the various aspects of food service are covered: meal planning, basic food preparation, equipment, food preservation, and government regulations. A rich illustration and photo program and unique pedagogical features make the information easily understandable and interesting to students. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This—a sequel to *Gated*—is a nerve-fraying contemporary young adult thriller that will make readers question loyalties as it twists truths. Her life was based on a lie. Lyla Hamilton almost died escaping the Community. In her new life, the outsiders call the Community a cult. They don ' t understand how easy it was to believe. How good it felt to belong. “ Normal ” life—high school and dating—is harder than Lyla expected. Who should she love? Who should she hate? The Community is willing to do terrible things to bring her back to the fold. The members are still preaching Pioneer ' s twisted message that the end of the world is near. Pulled in two directions and unsure which way to

turn, Lyla risks everything to follow her heart, but can she uncover the Community ' s plan before it ' s too late? Lyla ' s escape was only the beginning. Praise for Gated and Astray " A tense psychological thriller that will leave you gasping for breath as you race to the very last page. " —Gretchen McNeil, author of Ten " An awesome, creepy book that reminds me of my favorite cult films. " —HelloGiggles.com \* " Parker doesn ' t pull punches, indicating a level of brutality that will appropriately disturb even as it successfully conveys Lyla ' s complete entrapment in the Community. Compelling and not that distant from real-world cults that have ended in tragedy. " —Kirkus Reviews, Starred " A complex, intriguing tale rooted in real-world events. " —Publishers Weekly " A good choice for reluctant readers. After the last page is turned, the question will linger: ' Could I ever be deceived like this? ' " —School Library Journal " A well-rounded and thorough look into cults while still remaining entertaining throughout. I look forward to reading more of Parker ' s works in the future. " —Examiner.com

When her wealthy family loses everything, Lexi tries to clear her father's name by masterminding a bank heist, only to surprised when another thief--blackmailed by the Mexican mafia--steals her heart.

Covers receipts and expenditures of appropriations and other funds.
