No good deed goes unpunished. That's what they always say, isn't it? Haitian relief coordinator Dr. Mason Walker didn't expect to begin his day staring down the barrel of an AK-47 wielded by a twelve-year-old child soldier. He also didn't expect to end it with the revelation that the darkly beautiful, otherworldly woman he's just met is truly otherworldly, in the most literal sense of the word. She claims to be a vampire. But Mason is a doctor. A man of science. And everyone knows that vampires are just a superstitious response to the medical condition porphyria,

combined with ignorance about the behavior of corpses after burial. Besides, he has bigger things to worry about right now. Haiti's war orphans are going missing. And when they return, they are... changed. Mason suspects rebel military commanders of brainwashing them with a new cocktail of drugs, turning innocent children into mindless killing machines. When his delusional but strangely alluring muse and her eccentric friends decide to get to the bottom of the mystery, Mason is tipped headfirst into a world that will make him question the very foundations of his reality. And if they're not very, very careful, someone's going to end up dead before the night is over. * * * The Circle of Blood Series In

Circle Trilogy. Worlds have collided and centuries have elapsed as six people have brought their unique powers, their courage, and their hearts to a battle that could drown humanity in darkness... Her face, so pale when she'd removed her cloak, had bloomed when her hand had taken the sword. Her eyes, so heavy, so somber, had gone as brilliant as the blade. And had simply sliced through him, keen as a sword, when they'd met his... In the kingdom of Geall, the scholarly Moira has taken up the sword of her people. Now, as queen, she must prepare her subjects for the greatest battle they will ever fight—against an enemy more vicious than any they have seen. For Lilith, the most powerful vampire in the world, has followed the

circle of six through time to Geall. Moira also has a personal score to settle. Vampires killed her mother—and now, she is ready to exact her revenge. But there is one vampire to whom she would trust her soul... Cian was changed by Lilith centuries ago. But now, he stands with the circle. Without hesitation, he will kill others of his kind—and has earned the respect of sorcerer, witch, warrior, and shape-shifter. But he wants more than respect from Moira—even though his desire for her makes him vulnerable. For how can a man with an eternity to live love a woman whose life is sure to end—if not by Lilith's hand, then by the curse of time? “[Roberts] is one of the best writers in the romance world.”—The Best Reviews

New Orleans is a hot mess. Ancient feuds. Demonic forces bent on destruction. Oh, and apparently

vampires are real. Della didn't sign up for any of this. She didn't sign up for violence and mayhem in the streets of the Big Easy. She didn't sign up to be a magnet for an evil force intent on hunting down the reincarnated souls of its enemies. She sure as hell didn't sign up for rescue by a sinfully tempting vampire lord and his fashion-model-gorgeous friends. Especially since he seems convinced that she's the living embodiment of his long lost human mate. Seriously, this kind of stuff isn't supposed to happen to insurance company receptionists from New Jersey. The world is descending into chaos. Now, a coven of hypnotically alluring bloodsuckers is trying to convince her they're the good guys. And the really
