For MBA/graduate students taking a course in corporate finance. An Emphasis on Core Financial Principles to Elevate Individuals! Financial Decision Making Using the unifying valuation framework based on the Law of One Price, top researchers Jonathan Berk and Peter DeMarzo have set the new canon for corporate finance textbooks. Corporate Finance, 4th Edition blends coverage of time-tested principles and the latest advancements with the practical perspective of the financial manager, so students have the knowledge and tools they need to make sound financial decisions in their careers.

For undergraduate courses in corporate finance or financial management. Help students practice and connect to real-world financial decisions Fundamentals of Corporate Finance offers a practical introduction to modern-day core principles, arming students with a problem-solving methodology, real-life financial management practices, and an overarching valuation framework that they can apply in their future careers. Updated with new examples, exercises, and statistics, the 4th Edition gives students the opportunity to practice and apply course concepts, while connecting them to the latest financial issues and policy in today's world of business.

For MBA/graduate students taking a course in corporate finance

This essential companion to the text provides detailed, accuracy-verified, class-tested solutions to every chapter problem. All the solutions, like the problems themselves, were written by the textbook authors. Scrutiny by Timothy Sullivan, Bentley University, and Mark Simonson, Arizona State University, guarantees unparalleled quality. Spreadsheet solutions to select chapter problems and Data Cases are available on the Instructor's Resource CD-ROM.

For MBA/graduate students taking a course in corporate finance. An Emphasis on Core Financial Principles to Elevate Individuals! Financial Decision Making Berk and DeMarzo's Corporate Finance uses a unifying valuation framework, the Law Of One Price, to present the core content instructors expect, the new ideas they want, and the pedagogy their students need to succeed. Corporate Finance: The Core fits programs and individual professors who desire a streamlined book that is specifically tailored to the topics covered in the first one-semester course. For programs and professors who would like to use a text in a two semester, or more, sequence, please see Corporate Finance, the 31-chapter book also by Jonathan Berk and Peter DeMarzo. MyFinanceLab! not included. Students, if MyFinanceLab is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN and course ID. MyFinanceLab should only be purchased when required by an instructor. Instructors, contact your Pearson representative for more information. MyFinanceLab is an online homework, tutorial, and assessment product designed to personalize learning and improve results. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts
