Children are already stuck on dinosaurs--that's why they'll love sticking with this entertaining and informative activity book, created in association with the British Natural History Museum. Packed with 100 colorful and reusable stickers to choose from, as well as a fabulous pull-out landscape, it introduces dinos big and small, fierce and gentle. Kids will enjoy learning dinosaur names; unearthing fossils; building dinos by matching bones and skin--just like a paleontologist; helping T-Rex find his dinner; and filling in fun and challenging puzzles. There are lots of bite-size facts about what these extinct but always compelling creatures ate, how they moved around, where they lived, and why they all disappeared. Everything is fully checked and approved by the British Natural History Museum dinosaur experts Angela Milner and Richard Butler.

With 1,000 stickers and fantastic graphics and text, these high quality, superfun sticker books are a great way for kids to learn about animals and the natural world. The Baby Animals sticker book is chock-full of the cutest creatures on the planet: pandas, piglets, wolf cubs, ponies, polar bears, elephants, bunnies, kittens, puppies, and many more. With a fun, brightly colored design and loaded with animal facts and games--such as mazes, counting, matching and more--this book is sure to provide endless entertainment.
