Dominance and State Power in Modern India: Decline of a ...

Summary: "In these two volumes, scholars of political science, sociology, and history adopt a common set of concepts to analyse patterns of change in the ideological and structural foundations of dominance in India from the colonial period to the mid-1980s. Departing from modernist theories, these scholars set out an interactional framework of society-state relations where caste, class, ethnicity, and dominance are treated.

Dominance State Power Modern India Decline

The modern state of India is only 34 years old and its development must be understood in the context of trying to impose a national framework on old cultural patterns. The consciousness of the great past and the newness of the present sometimes produces an abrasive reaction.

Book Description. State Formation and Radical Democracy in India analyzes one of the most important cases of developmental change in the twentieth century, namely, Kerala in southern India and begs the question of whether insurgency among the marginalized poor can use formal representative democracy to create better life chances. Going back to pre-independence, colonial India, Manali Desai ...

British Empire - British Empire - Dominance and dominions: The 19th century marked the full flower of the British Empire. Administration and policy changed during the century from the haphazard arrangements of the 17th and 18th centuries to the sophisticated system characteristic of Joseph Chamberlain's tenure (1895-1900) in the Colonial Office.
