The organization cannot trust the individual: the individual must trust the organization." Ray Kroc founded McDonalds in the 1950s, which the book talks a lot about.

**Fast Food Nation by matthew radich - Prezi**

To a degree both engrossing and alarming, the story of fast food is the story of postwar America. Though created by a handful of mavericks, the fast food industry has triggered the homogenization of our society. Fast food has hastened the malling of our landscape, widened the chasm between rich and poor, fueled an epidemic of obesity, and propelled the juggernaut of American cultural imperialism abroad.
