This is a directory of companies that grant franchises with detailed information for each listed franchise.

This concise and reader-friendly book is for aspiring businessmen and women who desire to be successful. It talks about operational details and the day-to-day running of a shop or chain of stores. The 4-colour book includes pictures of store layouts, merchandise displays and promotional activities so that important points are depicted in a clearer manner.

This text is a companion manual, presenting techniques to facilitate a continuous improvement effort designed to banish complacency from an organization. It presents instructional directions to enable people to learn a basic operational problem-solving method by applying it to two case studies, conducted in two workshops. It provides materials to be used by the workshop participants and directions for the trainer conducting the workshops.

Both the Training and Self-Study Manual and the Participants Workbook can be used as a stand-alone problem-solving course or in conjunction with Kick

Down the Door of Complacency. The Training and Self-Study Manual enables participants to learn a basic operational problem-solving method by applying it to two case studies, conducted in two workshop sessions. It contains materials presented in the Participants Workbook as well as detailed information and directions for the trainer conducting the workshops. Because each person needs to be trained in problem-solving in order to achieve Continuous improvement on an organizational level, a Participants Workbook is also available. This is an excellent instructional tool that will bring Continuous Improvement principles to life for your employees.
