Profiles over seven hundred common American names and applies lore found in the Kabbalah, Norse runes, and numerology to describe the personality that accompanies a particular name

Be careful what you wish for! For fans of slow building, character driven, intense and compelling psychological thrillers. A self-obsessed Japanese icon appears to have a perfect life. Fame, fortune, and a celebrity marriage—but all is not as it seems. Yayoi wears her glamor like a mask. There are dark corners of her life she wants to hide from her many fans. An abusive husband, an oppressive recording contract with J-BIG Corp, a company controlled by her husband's family that is crushing her creativity. Then there are all her memories of a life swept away by a tsunami. While in New Zealand to film a music video, she is surprised by her estranged husband Nori, who without warning appears at her hotel and assaults her. On the run from both Nori and J-BIG, she meets Bill, a young corporate attorney recently made redundant, who plans to revisit his past in the hope he can heal old wounds and reshape his future. Although from two very different worlds, they find themselves falling for each other, both unaware of the extreme measures Nori will take to get Yayoi to return to Japan with him. The Girl With Two Names is set in urban Japan and the raw backwoods of New Zealand. NB : the book, as stated above, is a psychological thriller. You are being purposefully placed in the head of a heroine with strong personality flaws that do have severe outcomes for those who allow her into their lives. This is an important aspect of the story. \_\_\_\_\_ Four out of four stars! - Official Review, Online Book Club

# Read Free Hidden Truth Of Your Name A Complete Guide To First Names And What They Say About The Real You

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

In the sequel to First Truth, a skeptical Alissa must draw on the ancient magical talents she has inherited from her father to resist the First Truth, a powerful book of magic that seeks to control Alissa and her magical gifts and that could lead to devastating consequences for the Hold at the hands of Bailic, a renegade and ruthless Keeper. Original.

This book is intended to give a voice to Josie and others like her who have something to say, but are unable to express it. Young children all over the world are at an impressionable age and with answers to their questions about others who are different they could learn to become kindhearted, understanding, and accepting children. This book is about a real child named Josie with anxiety and real experiences she's gone through. If this book is understood by a school aged student, then we will be creating a world full of compassionate children. This is the second of five books to help demystify special needs to lower

elementary aged students.

Alise has uncovered a web of family secrets reading her mother's journals that connect to the lives of those closest to her. Now she has to contend with her new career as Director of Global Charity at TG and the irresistible Tyler Moore, while harboring secrets of her own. Tyler Moore is new in town and wants to make his mark on the world as the new Director of Marketing at TG, but at the same time he wants Alise Addison with a passion he's never known. Tyler becomes engrossed in Alise's life as an old flame from her mother's past returns to exact revenge, while also harboring a secret that threatens a relationship between them. Together Alise and Tyler are about to discover that every family has their secrets and some family secrets should stay hidden. Excerpt: My Secrets: Book Two in The Secret Series "You've known about this for weeks! Alise, I trusted you and you lied to me! What else are you keeping from me?" He really didn't want me to answer that question because it was a truckload of secrets. "As a matter of fact you know what don't answer that! You were right. You just like your mother!"
