Hindu Stories Storyteller - btgresearch.org

The story is set a few years after Partition in 1947. In an insane decision, the governments of India and Pakistan decided to exchange Hindu, Sikh and Muslim lunatics.

Presents stories related to the Hindu religion, including tales about Hindu gods and goddesses.

Eight tales which illustrate some of the most significant beliefs, values and traditions of the Hindus. 8 yrs+

Swamiji, a Hindu holy man, is the central character of *Storytellers, Saints, and Scoundrels*. He reclines in a deck chair in his modern apartment in western India, telling subtle and entertaining folk narratives to his assorted gatherings. Among the listeners is Kirin Narayan, who knew Swamiji when she was a child in India and who has returned from America as an anthropologist. In her book Narayan builds on Swamiji's tales and his audiences' interpretations to ask why religious teachings the world over are so often couched in stories. For centuries, religious teachers from many traditions have used stories to instruct their followers. When Swamiji tells a story, the local barber rocks in helpless laughter, and a sari-wearing French nurse looks on enrapt. Farmers make decisions based on the tales, and American psychotherapists take notes that link the storytelling to their own practices. Narayan herself is a key character in this ethnography. As both a local woman and a foreign academic, she is somewhere between participant and observer, reacting to the nuances of fieldwork with a sensitivity that only such a position can bring. Each story is reproduced in its evocative performance setting. Narayan supplements eight folk narratives with discussions of audience participation and response as well as relevant Hindu themes. All these stories focus on the complex figure of the Hindu ascetic and so sharpen our understanding of renunciation and gurus in South Asia. While *Storytellers, Saints, and Scoundrels* raises provocative theoretical issues, it is also a moving human document. Swamiji, with his droll characterizations, inventive mind, and generous spirit, is a memorable character. The book contributes to a growing

interdisciplinary literature on narrative. It will be particularly valuable to students and scholars of anthropology, folklore, performance studies, religions, and South Asian studies.

In *Storytelling in Bali*, Hildred Geertz analyzes over 200 texts of popular stories dictated in 1936 by the painters of Batuan, Bali. The tales reveal strong ambivalences in the tellers regarding the magical powers of kings, priests and healers.

"Jewish Stories" is part of the "Storyteller" series of illustrated books featuring stories from the world's major religions accompanied by fact boxes providing background and supplementary information on each religion under consideration.

First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

Produced specifically to answer QCA concerns over attainment and assessment in RE at Key Stage 3, *Modern World Religions* is a series that balances learning about religions with learning from religions. It comprises differentiated Student Books, Teacher's Resource Packs and CD-ROMs, on the six major world faiths.

Presents eight classic Sikh stories involving how the Gurus taught Sikhism to the people.

What do Hindus believe? How do they celebrate what is important to them? What food do they eat during festival time? How do Hindus in the UK celebrate? Read this book to find out the answers to these questions and more. *Celebrating Hindu Festivals* looks at important religious and family days in the Hindu calendar, and gets readers to take part by cooking some of the food central to Hindu celebrations. The book looks at both international and UK examples of Hindu celebrations. Infosearch asks the questions you want answered.

Presents stories from the Jewish faith, including some from the Bible.
