I am the creator of Mickey Mouse. I am Walt Disney. As a child, I had a wild imagination and a great curiosity. As I grew up, I used those qualities to become a cartoonist. Eventually, I turned these drawings into films and began my own animation business. One of my characters, Mickey Mouse, became so popular that movie theaters sold out and I won an Academy Award. After pursuing a career as a film producer, director, screenwriter, voice actor, entrepreneur and entertainer, I added developer to my resume when I created Disneyland amusement park. I became tremendously successful and beloved by children of all ages because of my belief that even the impossible is possible. I am Walt Disney. To this day, Walt Disney's characters remain some of the most recognizable images in the world. With books, TV shows, films, and amusement parks devoted to his creations, the Walt Disney name lives on. "A biography of Walt Disney with a focus on his work making dreams come true for himself and for generations of children"--

Walt Disney always loved to entertain people. Often it got him into trouble. Once he painted pictures with tar on the side of his family's white house. His family was poor, and the happiest time of his childhood was spent living on a farm in Missouri. His affection for small-town life is reflected in Disneyland Main Streets around the world. With black-and-white illustrations throughout, this biography reveals the man behind the magic. This book is not authorized, licensed or endorsed by the Walt Disney Company or any affiliate.

Draws an intimate portrait of the man whose imagination spawned a family of classic cartoon characters, a powerful film studio, and an entertainment empire

WINNER OF THE SILVER BENJAMIN FRANKLIN AWARD FOR JUVENILE NONFICTION You have probably heard the word Disney before. Come on, who hasn't? You've seen Disney movies, watched Disney TV shows, and maybe even visited Disneyland or Walt Disney World. Did you know there were two brothers with the last name of Disney who created this entertainment empire? Walt and Roy Disney built the world's most popular theme parks and brought to life some of the best-known cartoon characters in family entertainment. The story of their lives is a wonderful tale of hard work, determination, and cooperation. While this book is primarily about Walt Disney, his story can't be properly told without including his older brother Roy and the strong bond between siblings that propelled them to worldwide fame and fortune. Illustrations throughout this biography help tell the story of how two farm boys from the Midwest went on to build one of the world's most successful entertainment companies.

Anyone who has ever walked through the gates at a Disney Park knows that there is a magical experience waiting to be had on the other side. All of the telltale signs are there: the sound of joyful music pipes across the promenade; the smells of popcorn and cookies waft through the air; and the colorful attraction posters depict all the wonderful rides and shows created for Guests

by the Imagineers. Poster Art of the Disney Parks is a tribute to those posters, which begin telling the story of each attraction even before Guests have entered the queue area. Disney attraction posters have been an important means of communication since Disneyland began displaying them in 1956. Not only are they eye-catching pieces of artwork that adorn the Parks with flair and style, they are also displayed to build excitement and disseminate information about the newest additions to the Disney landscape. When the first attraction posters made their debut at Disneyland, one such piece of art proclaimed that Guests could have a “ true-life adventure ” on the Jungle Cruise. And in 2012 at Disney California Adventure, a poster announced the grand opening of Cars Land—the newest thrill-filled destination at the Disneyland Resort. Both of those posters are reproduced within this book, along with posters from every decade in between. As evidenced by the evolution of the attraction posters, art styles and design techniques have certainly changed over the years. These characteristics also differ from continent to continent. Posters from Tokyo Disneyland, Disneyland Paris, and Hong Kong Disneyland exhibit the nuances in presentation that give each Park ’ s pantheon of posters its signature look. But while artistic interpretations and color palettes may vary from Park to Park and from year to year, the spirit of Disney storytelling is a constant that ties them all together.

A beautifully illustrated storybook showcasing the lyrics to A Kiss Goodnight, written by Richard Sherman and heard every night at Walt Disney World and Disneyland during the fireworks shows.

I am basketball's biggest superstar--I am LeBron James. LeBron James was the MVP of the 2013 basketball season and he is one of the best basketball players of all time. His accomplishments on and off the court will appeal to a wide audience--especially boys. He's the perfect person to lead with as the I AM series expands to include more current subjects. The updated I AM series features full-color illustrated covers, and a mix of photos and illustrations throughout the interiors. A timeline, an introduction to the people you'll meet in the book, maps, sidebars, and a top ten list of important things to know help young readers understand the text and align the series with Common Core State Standards.

This biography of the man behind the magic reconciles the private 'monster' with the artistic genius of popular culture by showing that the disturbing problems of his own life provided the rich, dark side of the animated movies.
