Accident

Incident Record

An incident log
refers to an
official account

Online Library Incident Log

of occurrences.

This log usually translates into a form that is filled out to keep records and track details about the incident under question.

Incident log templates are used to make the logs. A log book

Online Library Incident Log

is used to keep
the various logs
organized.

*Recording
Incidents and
Accidents*

A workplace

Online Library Incident Log

Incident report
is used to
record any event
in the

organization
that involves
accident,
injuries, or
property damage.

Use this
template to
document the
type of incident
that occurs in

Online Library Incident Log

the workplace
including near
misses, sentinel
events, adverse
events, and no
harm events.

This would help
the organization
to keep track of
the frequent
causes of
incidents to
assess safety
improvements in

Online Library

Incident Log

the workplace.

Online Library Incident Log

In the incident book we record the date and time of the incident, nature of the event, who was effected, what was done about it - or if it was reported to the police, and if so a crime number. Any

Online Library

Incident Log

follow up, or insurance claim made is also recorded. Any racist incident involving staff or family on the centre's premises.
