The best questions are directly relevant to sole proprietor. What is the work environment and culture like? How are the working hours? What are some tips for doing well in the interview?

Explores the wide spectrum of business contexts, and shows how office practices and procedures relate to different types of organizations. Also provides an introduction to the skills and understanding required in a busy office environment.

This book of expert contributions provides a comprehensive analysis of contemporary global marketing issues under different international business settings. It covers a wide array of key areas of international marketing research such as cross-cultural consumer behavior, foreign market entry modes, international entrepreneurship, international marketing strategy, country-of-origin effects, internationalization process, international buyer-seller relationships, corporate social responsibility, and international marketing performance. With both theoretical and empirical contributions by prominent researchers from all over the world, the book highlights and advances extant knowledge on global marketing and offers recommendations for future research. It builds a useful reference for scholars, doctoral researchers, and senior students in international marketing/business.

Legal Systems & Skills provides students with a practical guide to all the essential knowledge and skills they will need for their law degree and beyond. Divided into three core areas, it forms a foundation for legal studies and for graduate employment. Essential Legal Systems: Part I delivers a focused and practical guide to the purpose and application of law. Contemporary and holistic in approach, it covers all the essential topics in legal systems, considering social, moral, ethical, and jurisprudential perspectives. Taking learning further, it helps students to critically evaluate legal systems and their implications for individuals, businesses, and commerce. Essential Legal Skills: Part II demonstrates step-by-step approaches to acquiring and honing the skills needed for the academic study of law and professional practice. Numerous visual aids and learning features help students to become adept researchers, nimble problem-solvers, dexterous writers, and competent communicators. They will acquire the tools they need to analyse, evaluate, and apply the law, and to thrive in their future careers. Essential Employability and Commercial Awareness: Part III helps students to see how their knowledge and skills can be practically applied, in the legal world or outside of it. Students are encouraged to reflect on and actively improve their commercial awareness through case studies, practice interview questions, and activities, giving them the skills to thrive in the world of work. Targeted coverage of employability, CV development, and transferrable skills helps students to approach their future careers with confidence and communicate their own competencies effectively. This book is the essential contemporary toolkit for savvy law students, enabling them to: Learn how law works; Develop the essential skills; and Apply them to succeed. Online Resource Centre This text is accompanied by an Online Resource Centre offering a range of stimulating resources, including: Self-test questions The authors’ guidance on the thought-provoking questions in the book A library of web links for students Regular updates in the law

This methodical guide to Local Authority Prosecutions presents the entire process from receipt of a complaint to conclusion in the magistrates court. This clear, concise book includes advice on current investigatory techniques together with checklists and standard forms. The authors have taught numerous courses to the Local Government Group of the Law Society and other local authorities, and much of their training material has been included. Local Authority Prosecutions will be valuable to local authority investigators, prosecutors and defence lawyers.

English for Business Studies is a course for students who need to be able to understand and talk about key business and economic concepts. The 30 units cover a range of issues, including work and motivation, production, marketing, banking, business ethics, exchange rates and international trade. The second edition contains two new chapters: Information and Electronic Commerce, and Entrepreneurs and Venture Capital. It also includes a full update of the existing units. The cassettes and audio CDs contain authentic interviews with experts talking about their field of business or economics.
