of the island of Britain.

As night falls on December 13, 1862, bitter winds sweep the battlefield of Fredericksburg, Virginia. Patrick O'Hanrahan, a Union soldier, lies wounded, surrounded by his dead and dying comrades. With more than two years of war ahead of him, Patrick doesn't know if his life will last even two more minutes. He also doesn't see the moral conflict he will eventually be forced to deal with after meeting Lou Ann Sommers, though he still plans to marry his hometown sweetheart,

Beth Wheeler. Before the war is over, his encounter with Nathan, a slave, will profoundly affect his understanding of the cause for which he fights. And Patrick is stunned when he comes face-to-face in battle with his boyhood friend, Joshua Halperin, a Confederate captain, in a farmer's wheat field near Gettysburg, Pennsylvania. "One Nation Under God" illuminates the war's bloody contests through the eyes of four young people, traumatized by the fracturing impact of the Civil War. As they struggle to survive violence and upheaval, compounded by fear, suspicion, loneliness, and lost love, their hearts and minds become entwined and forever changed. Their courage to stand for their beliefs and risk everything reflects the nobility of our forefathers, who forever reshaped our great United States of America.

This book deals with the culture of Catalan resistance to assimilation, through the maintenance of the Catalan language as an expression of identity. This book argues that the Catalans also developed a series of cultural mechanisms to foster identity through intellectual and recreational pursuits, as well as through an emphasis on language.

Based on the most extensive survey ever conducted on religion in America, *One Nation Under God* delivers surprising revelations about the religious beliefs, practices, and affiliations of Americans. "These statistical findings provide rich material for interpretation of the uniquely American religious experience."--Publishers Weekly.

Is terrorism ever morally justified? How should historical and cultural factors be taken into account in judging the morality of terrorist acts? What are the ethical limits of state counter-terrorism? For three decades the Provisional Irish Republican Army waged an 'armed struggle' against what it considered to be the British occupation of Northern Ireland. To its supporters, the IRA was the legitimate army of Ireland, fighting to force a British withdrawal as a prelude to the re-unification of the Irish nation. To its enemies, the IRA was an illegal, fanatical, terrorist organization whose members were criminals willing to sacrifice innocent lives in pursuit of its ideological obsession. At the centre of the conflict were the then unconventional tactics employed by the IRA, including sectarian killings, political assassinations, and bombings that devastated urban centres - tactics that have become increasingly commonplace in the post-9/11

File Type PDF Ireland One Nation

world. This book is the first detailed philosophical examination of the morality of the IRA's violent campaign, and of the British government's attempts to end it. Written in clear, accessible prose, it is essential reading for anyone wishing to acquire a deeper understanding of one of the paradigmatic conflicts of the late 20th century.

The United States holds the dubious distinction of experiencing more civilian gun deaths than any industrialized nation on earth nearly 30,000 per year. While a majority of Americans favor far more restrictive gun laws than currently exist, efforts to pass such laws are consistently thwarted by the powerful gun lobby, led by the National Rifle Association. Now a new dimension of the gun epidemic has surfaced to cause even greater dangers to our society: deadly weapons in the hands of foreign

File Type PDF Ireland One Nation

terrorists. Terrorists need only turn to the flourishing illicit gun trade to amass weapons of destruction, as many already have. This eye-opening essay examines the scope of gun violence in this country its causes, its dangers, and its possible solutions. Part of the Speaker's Corner Books series designed to stimulate discussion on issues that shape our society, *One Nation Under Guns* takes a rational and reasoned approach to an emotionally charged issue.

Examination of literacy and reading habits in nineteenth-century Ireland and implications for an emerging cultural nationalism.
