If Kioti corporate hosted the parts diagrams, all of the dealers would be able to link to the parts diagrams from their websites. I can only guess the individual dealers think it's too much work for not enough benefit, and Kioti corporate is still young to the game in figuring out what modern customers are demanding.

I have an LB1914 with cracked head, and it seems I can buy a Kubota D950 for about the same as a replacement head for my Kioti TD950 engine. Would love to know if the D950 would be a bolt-in replacement for my TD950.
