amount of challenge and disjointedness in your life, and perhaps even some major upheavals. You are probably noticing it in the lives of others as well. For a while you may have thought that this was all just your mind playing tricks on you; that things were not really happening any differently, and that you're just a little tired, a little overcommitted, a little oversensitive. But now, as each day presents itself with obstacles mounting and challenges increasing and more and more personal issues coming up to be faced and healed, it is apparent that all of this is not an illusion, not an

Crucible for remarkable lessons in faith. As she was tested by the near-death of one of her children, by life-threatening kidney disease, and by years of struggling to make ends meet, she clung to her determination to be a minister. Now, with powerful examples from many dream-builders she has known, she shows how anyone can identify their deepest desires, build a partnership with God, confront obstacles and failure, and overcome the mental blocks that keep us from our potential. It's a great message, compellingly delivered by a great teacher. From the Trade Paperback edition.

Traditions this book explores how people experience deep shifts in their consciousness, and how those shifts can lead to healing and wholeness. Research over the last decade at the Institute of Noetic Sciences has explored in depth the phenomenon by which people make significant shifts in the way they experience and view the world. Focusing in particular on positive transformations in consciousness, or those that result in improved health, well-being, and sense of meaning, purpose, and belonging, hundreds of people's stories of their own transformations were included in the

Research, as well as in-depth interviews with over 50 teachers and masters of the world's spiritual, religious, and transformative traditions. Authors Marilyn Mandala Schlitz, Ph.D., Cassandra Vieten, Ph.D., and Tina Amorok, Psy.D. - will begin conducting workshops based on the information they have gathered for this book. These workshops will blend the rigors of science with the deep wisdom of the world's spiritual traditions. Drs. Schlitz, Vieten, and Amorok will offer key insights from the decade-long qualitative and quantitative research study, of how people transform their lives. The workshops
