For a book whose stories are mostly about middle age men selling their souls for sex and drugs, Love in a Blue a Time reaches right down and touches my sappy-stern heart. This book made me the fan I wanted I wanted to be. flag Like · see review Mar 25, 2014 Isabelle Besson rated it liked it

Living in England now enables me to have a better appreciation of the context of The Love In A Blue Time but it is indeed a tough read, I'm not able to cheer on most of these protagonists. Like Liked by 1 person. February 10, 2019 at 7:01 pm Reply. Leave a Reply Cancel reply.

"Love In A Blue Time" by Hanif Kureishi. – Books and wine.

Now that I think of it, "Love in a blue time" gives the reader rather good perspective over work of Hanif Kureishi. Variety of themes that trouble Kureishi are there, from conflicts with fatherly figure to construction of identity in postcolonial world, struggles in small community of immigrants and wasted lives of small men that were overrun by time they in which they lived.

A collection of short stories includes the tale of a Pakistani girl's visit to London, which causes a revolution in her suburban home, and the dilemmas of once carefree men and women as they confront the complications of adult life in middle-class London

A provocative collection of short stories charting the growth of a generation from the liberating irreverence of the late 1970s to the dilemmas of responsibility and fidelity of the 1990s.

Love in a Blue Time is a brilliant collection of stories by the bestselling author of The Buddha of Suburbia. This time, Hanif Kureishi's subject is the difficult, serious business of love - and hate. His stories have all the qualities of his novels: they are funny, inventive, bawdy, and aggressively contemporary. The characters that stride out of the pages of Love in a Blue Time, however damaged, deranged or despicable, are united by one thing: they are all creatures of strong desire. 'In this haunting, troubling collection of short stories, Hanif Kureishi has finally embraced the decadence that has lain in wait for him . . . A tense, desolate and consuming collection.' Observer 'The whole collection buzzes with anger and angst.' Time Out

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

In this timely, insightful, and darkly funny investigation, the acclaimed author of Against Love asks: what does living in dystopic times do to our ability to love each other and the world? COVID-19 has produced new taxonomies of love, intimacy, and vulnerability. Will its cultural afterlife be as lasting as that of HIV, which reshaped consciousness about sex and love even after AIDS itself had been beaten back by medical science? Will COVID end up making us more relationally conservative, as some think HIV did within gay culture? Will it send us fleeing into emotional silos or coupled cocoons, despite the fact that, pre-COVID, domestic coupledom had been steadily losing fans? Just as COVID revealed our nation to itself, so did it hold a mirror up to our relationships. In Love in the Time of Contagion, Laura Kipnis weaves (often hilariously) her own (ambivalent) coupled lockdown experiences together with those of others and sets them against a larger backdrop: the politics of the virus, economic disparities, changing gender relations, and the ongoing institutional crack-ups prompted by #MeToo and Black Lives Matter, mapping their effects on the everyday routines and occasional solaces of love and sex.

INSTANT NEW YORK TIMES BESTSELLER* *INSTANT USA TODAY BESTSELLER* *INSTANT #1 INDIE BESTSELLER
From the New York Times bestselling author of Red, White & Royal Blue comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all.

Casey McQuiston ' s One Last Stop is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time. "A dazzling romance, filled with plenty of humor and heart." - Time Magazine, "The 21 Most Anticipated Books of 2021" "Dreamy, other worldly, smart, swoony, thoughtful, hilarious - all in all, exactly what you'd expect from Casey McQuiston!" - Jasmine Guillory, New York Times bestselling author of The Proposal and Party for Two

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I ' m jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

NEW YORK TIMES BESTSELLER • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman ' s struggle to go forward in the face of loss—that “ enriches the reader ' s life with urgency and gratitude ” (The Washington Post) “ A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious. ” —USA Today ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, BookPage Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer ' s disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom ' s captivating, insightful voice and with her trademark wit and candor, In Love is an unforgettable portrait of a beautiful marriage, and a boundary-defying love.

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy—especially after twelve years. Forbes isn't the same young man. He found his adventure—and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.
