Menopause Reset! is the revolutionary, scientifically-proven program that helps women control the physiological effects of perimenopause and menopause with mind, diet, and exercise solutions that keep blood sugar levels stable and bodies in the fat-burning zone all day long. In the past, controversial hormonal replacement therapy was the only method by which women could positively affect menopausal symptoms. But Menopause Reset! changes all of that. The program specifically regulates blood glucose with food, exercise, and highly effective stress reduction techniques, allowing women to stop and reverse menopausal weight and fat gain. Based on the successful treatment of tens of thousands of women whose life-changing results are included in the book, Dr. Harpaz has put together an easy, 3-step solution that targets the triggers of menopause and its symptoms. Menopause Reset! teaches women all about their metabolic mechanisms: what they are, how they work, and, most importantly, how to manipulate them to achieve sustainable weight loss and get their bodies back!

Do you want to lose weight? Have mood swings? Experience any puffiness or joint pain? Do you feel lethargic or fatigued? Is your gut acting up? Have you tried fad diets, gone to doctors, popped pills without seeing results? It's not your fault! It's because the vast majority of these conditions are being treated inappropriately or misdiagnosed by the standard health care model. Through exhaustive research and clinical experience, Dr. Mindy has discovered what is really behind these common conditions and how to eliminate them once and for all through the Reset Factor - Dr. Mindy's scientifically based whole body system to restore you to perfect health, from the inside out.

The Harvard-educated physician and New York Times bestselling author of The Hormone Cure shows you how to grow new receptors for your seven metabolic hormones, making you lose weight and feel great fast! When it comes to weight loss, most people don 't think about hormones. But when you develop resistance to your seven major metabolic hormones—cortisol, thyroid, testosterone, growth hormone, leptin, insulin, and estrogen—your body adjusts by increasingly raising your hormone levels and ultimately slowing down your metabolism. And a slower metabolism leads to weight gain and difficulty losing weight. The solution, Dr. Sara Gottfried contends, is to reset the efficiency of your hormones by repairing and growing new hormone receptors. Based on leading scientific research, The Hormone Reset Diet is her proven weight loss and energy program to reverse hormone resistance in just three weeks. It will help you: Boost your metabolism and calorie burning by growing new and fresh thyroid receptors; Increase your weight loss by re-balancing estrogen and progesterone receptors; Reverse your aging by resetting glucocorticoid receptors (for better processing cortisol). For the last twenty years, this Harvard-MIT educated physician has helped thousands of women address the root hormonal causes of what bothers them most: excess weight, lack of energy, aging, and illness. Going beyond her bestselling The Hormone Cure, this program is the next generation of her deep understanding of hormonal optimization for rapid weight loss.

Minimize the symptoms of perimenopause and menopause naturally through a sustainable, enjoyable eating plan, physical activity, and other beneficial lifestyle habits " My friends and well-respected colleagues have written The Menopause Diet Plan to help you feel healthier, happier, and more confident during this change in your life. " —Maye Musk, MS, RDN, and author of A Woman Makes a Plan Menopause is uncharted territory for women, and it can be difficult to know how to ease the effects of hormonal changes that can often start in your 40s. With honesty and optimism, The Menopause Diet Plan encourages a positive, fad-free approach to managing your physical and emotional health during perimenopause and menopause. It highlights current scientific knowledge about the best diet and lifestyle choices to manage your weight; keep your heart, brain, and bones healthy; and decrease the risk for cancer and other chronic conditions. It also offers natural strategies to help diminish hot flashes, manage sleep difficulties and mood swings, improve energy, and more. The Menopause Diet Plan takes a unique approach to eating before, during, and after menopause. Registered dietitians Hillary Wright and Elizabeth Ward provide a customizable, plant-based eating plan that is rich in protein, fiber, and other beneficial nutrients, moderate in carbohydrates, and low in saturated fat, sodium, and added sugars. Balancing evidence-based advice with real-life circumstances and personal experience, it combines the best of the world's healthiest diets with the latest nutrition research for women in the menopause transition. Recipes such as Peanut Butter Smoothie, Chicken Italiano, and Chocolate Oatmeal Energy Balls make it easier to eat delicious, satisfying foods that nourish your body. With a comprehensive approach to better health, The Menopause Diet Plan helps women take charge of their well-being and live life to the fullest.

Outlines a method to improve physical and mental health by optimizing hormones, sharing guidelines in functional and integrative therapies to explain how to reverse hormone-related health decline without prescription medicines.

Alleviate the symptoms of perimenopause and menopause with simple and safe DIY diffusions, tonics, and tinctures made with essential oils, from " a true innovator and thought leader in the field of women 's hormone health " (JJ Virgin, New York Times bestselling author of The Virgin Diet). What if menopause didn 't have to be a struggle? Your body is always changing—necessarily and beautifully—throughout life. During menopause, however, declining ovarian function and fluctuating hormones often clash with environmental toxins, stress, and digestive distress, leading to the symptoms we have been told we should expect: hot flashes, weight gain, brain fog, low libido, and irritability. But as women 's hormonal health expert and bestselling author Dr. Mariza Snyder explains, you can and deserve to experience a good night 's sleep, clear thinking, stable moods, an energized metabolism, and pain-free sex. The solution is not to medicate the changes, but instead get to the root cause of what 's really going on in the body. In The Essential Oils Menopause Solution, Dr. Mariza offers a cutting-edge, comprehensive plan to do just that, including: • a clear explanation of what 's happening in your body before, during, and after " the change, " and how certain lifestyle triggers exacerbate hormonal imbalance. • the latest science behind the benefits of essential oils as safe, effective solutions for perimenopause and menopause symptoms. • more than 75 recipes and protocols designed to provide solutions for deep, restful sleep, anxiousness, mood swings, fatigue, hot flashes, low libido, brain fog, vaginal dryness, digestive distress, and much more. • a proven 21-day hormone-balancing program complete with meal plans, exercise recommendations, supplementation, and herbal therapies designed to reverse the myriad of symptoms affecting millions of women today. • easy self-care rituals to support every system of your body—from digestion and vaginal health to mitochondrial and liver function—throughout the perimenopausal and menopausal transition. Dr. Mariza Snyder is committed to helping women feel their best; her work is dedicated to solutions that heal a woman 's health from the ground up. In as little as twenty-one days, The Essential Oils Menopause Solution will help you reclaim vibrant, optimal, and long-lasting health.

Many of us experience signs and symptoms of hormonal imbalance every day. Do you have trouble dragging yourself out of bed in the morning? Ever have an uncontrollable sugar craving at 3 p.m.? Chronic headaches? Lack of energy? Do you get stressed just sitting in your office? Our bodies are wired to send us signals when something isn't right, but often we're too busy to hear them. Compounding the problem is a lack of understanding about the consequences if these symptoms are left unaddressed. Without hormonal balances, we are more likely to succumb to many diseases and illnesses. The Hormone Diet lays out a foolproof plan to balance your life, one hormone at a time. But it is more than just a diet book. Along with advice for weight loss, Dr. Natasha Turner provided recommendations for anti-inflammatory detox, nutritional supplements, exercise, sleep, stress management, toxin-free skin care, and natural hormone replacement combined with a diet plan—all incorporated into a 3-step wellness program focused on the essentials of hormone balance for lasting health.

Arguing that giving estrogen replacement therapy to women after menopause is medically the wrong thing to do, Lee suggests that natural progesterone can prevent most of the unpleasant side effects of menopause, including osteoporosis and weight gain.
