Natural Hospital Birth: The Best of Both Worlds: Amazon.co ...

The idea that a natural birth is possible in a hospital setting is exciting, but what this book demonstrates despite its optimistic title is that it is nearly impossible. Rather than a "natural" childbirth, this book shows you how to demand, bargain, fight, and plead every step of the way for the least invasive and medically managed childbirth possible under 21st century hospital policies.

Natural Hospital Birth: The Best of Both Worlds by Cynthia ...

Natural Hospital Birth (2nd Edition) is written by Cynthia Gabriel who is a doula. Her aim is to give guidance on how parents can experience as natural a birth as possible in a hospital setting, but allows for the fact that things can and do need medical intervention, which parents should be kept informed about and still allowed to make some decisions where possible.
