Pestilence A Medical Thriller The

The idea of a Medical Thriller is very appealing and potentially a way to engage and inform an audience about plausible risks and scenarios. Well Victor accomplishes that in Volume One Plague but repeats himself and exaggerates some of the action to the point where it becomes fantasy or something you would expect to find in a comic book or bad horror film.

The medical research necessary to make this series amazes me, since I originally assumed this author was a doctor, virologist, or microbiologist. I am certainly impressed by the action in the book, the intertwining of stories, and the continuity of the characters' from one book to the next. The final book is greatly anticipated!

Pestilence: A Medical Thriller (The Plague Trilogy, Book 2 ...

This novel is therefore a two-in-one. The first half of it reads like a great mystery, and the second half is a full blown medical thriller, what with a medieval contagion stalking residents of a town. The initial 50 pages or so were rather slow, but once it picked up pace from thereon, it was gripping!

PESTILENCE - Kindle edition by McClure, Ken. Mystery ...

A classic medical thriller. The Poisoner ' s Handbook, by Deborah Blum. So, not a novel, but thrilling all the same. Blum ' s book takes us into the world of poisonings in Jazz Age New York City and the emergence of modern forensic chemistry in New York ' s first Office of the Chief Medical Examiner.
