wants to deny women

access not only to

abortion but to most

methods of

contraception. On the

other is a resurgent, well-

funded population

control lobby that often

obscures its motives

with the language of

women's

empowerment. Despite

declining birth rates

worldwide—average

# Acces PDF Reproducing

global family size is now 2.5 children—overpopulation alarm is on the rise, tied now to the threats of climate change and terrorism. *Reproductive Rights and Wrongs* reveals how these developments are rooted in the longer history and politics of population control. In this book, a new generation of readers

# Acces PDF Reproducing

will find knowledge and inspiration for the ongoing struggle to achieve reproductive rights and social, environmental, and gender justice.

Rural Women's Sexuality, Reproductive Health, and Illiteracy examines the intimate lives of women in the developing world, their

# Acces PDF Reproducing

sexuality, and views on family planning and gender inequality.

Providing insights on cultural traditions and understanding of modern medicine, it is essential for public health and anthropology scholars and practitioners.

In "Holding On," anthropologist Alyson O

# Acces PDF Reproducing

Daniel analyzes the abstract debates about health policy for the sickest and most vulnerable Americans as well as the services designated to help them by taking readers into the daily lives of poor African American women living with HIV at the advent of the 2006 Treatment Modernization Act. At a

# Acces PDF Reproducing

time when social support resources were in decline and publicly funded HIV/AIDS care programs were being re-prioritized, women s daily struggles with chronic poverty, drug addiction, mental health, and neighborhood violence influenced women s lives in sometimes unexpected ways. An ethnographic

# Acces PDF Reproducing

portrait of HIV-positive black women and their interaction with the U.S. healthcare system,

"Holding On" reveals how gradients of poverty and social difference shape women's health care outcomes and, by extension, women's experience of health policy reform.

Set among the realities of poverty, addiction,

Acces PDF  
Reproducing  
incarceration, and  
mental illness, the case  
studies in "Holding On"  
illustrate how subtle  
details of daily life  
affect health and how  
overlooking them when  
formulating public  
health policy has  
fostered social  
inequality anew and  
undermined health in a  
variety of ways."

Poverty And

The Politics Of

Population In

Health

Many women  
throughout the world  
face the challenge of  
confronting an

unexpected or an

unwanted pregnancy,

yet these experiences

are often shrouded in

silence. An Open Secret

draws on personal

interviews and medical

# Acces PDF Reproducing

records to uncover the history of women's experiences with unwanted pregnancy and abortion in the South American country of Bolivia. This Andean nation is home to a diverse population of indigenous and mixed-race individuals who practice a range of medical traditions.

Centering on the cities

# Acces PDF Reproducing

of La Paz and El Alto, the book explores how women decided whether to continue or terminate their pregnancies and the medical practices to which women recurred in their search for reproductive health care between the early 1950s and 2010. It demonstrates that, far from constituting private events with little

Acces PDF  
Reproducing  
impact on the public  
sphere, women's  
intimate experiences  
with pregnancy  
contributed to changing  
policies and services in  
reproductive health in  
Bolivia.

Global health has  
emerged as a distinct  
field of academic  
research and  
professional activity.

# Acces PDF Reproducing

Over the last decade, health has become an important element of many nations' foreign policies, a routine agenda item for the G8 and a rapidly expanding focus of bilateral and multilateral development assistance. Some aspects of health, like the spread of easily transmitted communicable diseases,

# Acces PDF Reproducing

are self-evidently global in an age of rapid, low-cost air travel. Many more reflect the influence of transnational economic integration ('globalization') and its effects on national economies, societies and health systems. In still other cases, like non-communicable diseases in most low- and middle-

# Acces PDF Reproducing

income countries, the lack of impact on the interests of more powerful actors outside the borders of the affected areas makes it difficult to generate the concern and action on the part of the global community that may be imperative for ethical reasons. This multinational volume of original contributed

# Acces PDF Reproducing

papers simultaneously  
provides an overview of  
the state of current  
global health

scholarship, reflects the  
multidisciplinary nature  
of the field, and  
highlights the most  
significant issues for  
research and policy.

This collection  
examines the ongoing  
shared struggles of

# Acces PDF Reproducing

diverse groups of women in Canada and beyond focusing on a diverse range of themes to explore the centrality of gender and feminist praxis in western and non-western contexts.
