Richard, the ambitious third son of the House of York, believes he is cursed, damned from birth to eternal darkness. But is it truly fate that sets him on the path to personal destruction? Or his own tormented longings? Based on an early draft of Shakespeare's Richard III, Aya Kanno's dark fantasy finds the man who could be king standing between worlds, between classes, between good and evil. Richard's father, the patriarch of the House of York, is poised to become king of medieval England during the bloody Wars of the Roses. But just as success is imminent, he is abruptly cut down. Plunged into despair, Richard acts out in revenge and must face a powerful and beautiful new enemy.

A final test stands between Richard and the throne. Having failed to kill Richard, Edward V and his younger brother are sent to the Tower of London. Now that his political enemies have vanished, will Richard finally be able to take the crown? -- VIZ Media

The intrigue and royal conspiracy in the Bard's Richard III is given a dark manga twist that will appeal to aficionados of both comics and the classics.
