Risk society is the manner in which modern society organizes in response to risk. The term is closely associated with several key writers on modernity, in particular Ulrich Beck and Anthony Giddens. The term was coined in the 1980s and its popularity during the 1990s was both as a consequence of its links to trends in thinking about wider modernity, and also to its links to popular discourse, in particular the growing environmental concerns during the period.

Risk society - Wikipedia

The risk in the new society is produced by the sources of wealth. Specifically, industry and its side-effects are producing a wide range of hazardous, even deadly, consequences for society and as a result of globalization, the world as a whole.
