"Beginning with basic Bible teaching about the Lord Jesus Christ, Duncan Heaster proceeds to deconstruct the popular Trinitarian view of Jesus. But the author doesn't leave us with nothing in its place. He explores at great depth the character of the Lord Jesus, using close study of the Biblical text to perform a kind of archaeology of ancient personality. And he relentlessly pursues to the end his cardinal point: that knowing the real Christ is the essence of true Christianity, both now and eternally."--p. 4 of cover.

Jesus Christ said that He would build His Church and that it would never die out. Is today's Christianity, with its hundreds of denominations with widely differing beliefs and practices, the Church Jesus promised that He would build? -- Inside this Bible study aid booklet: -- A People Special to God -- The Historical Background of the Term Church -- 'Church' and 'Congregation' in the Scriptures -- A Spiritually Transformed People -- The Apostles: A Case Study in Conversion -- The Responsibility and Mission of the Church -- What is the True Gospel? -- Is Today the Only Day of Salvation? -- The Rise of a Counterfeit Christianity -- Changes in Christian Scholars' Perspective on God's Law -- Early Trends That Affected the Future of the Church -- The Church of God Today -- What Did the Early Church Believe and Practice? -- The Church as the Bride of Christ

A collection of 10 Arranged Traditional Worship Tunes from Ghana, West - Africa for Four-part (SATB) Choir.

The Divine Conspiracy has revolutionized how we think about the true meaning of discipleship.

In this classic, one of the most brilliant Christian thinkers of our times and author of the acclaimed *The Spirit of Disciplines*, Dallas Willard, skillfully weaves together biblical teaching, popular culture, science, scholarship, and spiritual practice, revealing what it means to "apprentice" ourselves to Jesus. Using Jesus's Sermon of the Mount as his foundation, Willard masterfully explores life-changing ways to experience and be guided by God on a daily basis, resulting in a more authentic and dynamic faith.

Insightful & heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths & has been called a "soul-stirring celebration of the pleasures of knowing God."

This work gives a detailed history and defense of the Advent Movement of the 1840's known as Millerism, the movement from which the Seventh-day Adventist denomination sprang. The book is based on original sources, William Miller's correspondence, contemporaneous books, pamphlets, journals, newspapers. The first half is devoted to the history of the movement, and the second half to an examination of charges made against the Advent believers, such as that they wore ascension robes, that the Millerite preaching filled the asylums, and so forth.

Bible Basics is a detailed study of basic Biblical doctrines and teachings. It's a self study guide, with questions at the end of each of the 11 sections. It's designed to go through the basic message of the Bible from start to finish. Bible Basics is a positive presentation of the Gospel, but there are digressions to discuss difficult Bible passages, and to demonstrate that many confusing doctrines such as the Trinity, immortal soul and infant sprinkling are not Biblical nor strictly Christian, but instead merely the creation of mainstream church theologians. The book presents Biblical Christianity. Duncan Heaster is a Christadelphian and the book is also a summary of the doctrines of the Christadelphian faith. The Christadelphian church uses the book as a standard reference.
