"Slowness," Mr. Kundera's new novel, now translated by Linda Asher, appears to depart from what we have come to expect from him. It is, to begin with, the first novel he has written in French. The action occurs in a single place and, through the novel's witty telescoping of time, over a single night -- a sort of parody of the classical unities.

## Milan Kundera ' s Slowness – Making It Slow

Kundera resonances of memory and speed compose the core of this little book. It reads like a sketch with several ramifications, much like memory works. Some are funny, others are tragic, but most are not completely defined. Some critics have pointed out that Slowness seems an unfinished work.
