savour the food of world-class chefs in Asia's most romantic two-seater salon; eat at the best holes-in-the-walls and discover local street food haunts; find the best tailors and quality cashmere, satins and brocades by the yard; expert

Necessity for greater flexibility and understanding of project management is coming into its own--even though most people manage projects as part of other duties. This guide seeks to provide consumers with a comprehensive understanding of the features, functions, and best practices of project management by thorough coverage of the industry's leading project management tool.

Now you don't have to be an MBA or advanced specialist to learn the principles of project management. Alpha Teach Yourself Project Management in 24 Hours gives readers a lesson-by-lesson approach to learning the ins and outs of budgets, team-building and tracking. Recognizing that most projects are managed electronically or online today, the author also shows better and more efficient ways to track and achieve goals.

This is a key reference guide for the exploration of leisure and outdoor recreation. It reflects the multidisciplinary nature of these fields and contextualizes the leading research and knowledge on key concepts, theories and practices. Edited by leading authorities in the field, this volume includes a comprehensive index, and up-to-date suggestions for further reading. It is an essential resource for teaching, an invaluable companion to independent study, and a solid starting point for wider subject exploration.
