The Art of Hiding is a hard hitting, thought provoking and moving story. Nina's husband Finn has been tragically killed in an accident, throwing her life into utter turmoil. Her two sons, Connor and Declan doted on their father and they all lived a comfortable life of luxury in Bath, in a beautiful farmhouse, private school for the boys, luxury cars, and the finer things in life.

The Art of Hiding by Amanda Prowse - Goodreads

The Art Of Hiding is just a wonderful book. I was totally absorbed in Nina and her boys lives that by the end they felt like my own family and one that I was very proud of. In parts it is heart breaking as well as emotional but I loved every bit of it. It shows that even when we hit rock bottom, there is still light at the end of the tunnel.

Steganography is the art of hiding. It consists of hiding messages in such a way that at first sight they are not perceived. It is based on the idea that deciphering an encrypted message is only a matter of time, but discovering a secret message is much more difficult if you don ' t even know there is a message.

The Art of Hiding. This book tells the harrowing story of a family who's life is torn to shreds. All that they knew and had is changed in one moment. The story then follows Nina trying to rebuild her and her boys lives. I found this such an easy book to read and often found myself getting sucked into the story.
