Life is peaceful and calm in the Far Lands, a mysterious area on the edge of the Overworld in Minecraft. The monster warlords have been destroyed, and the NPC villages are flourishing. But an old warning still echoes in the young NPC Watcher's mind: "Krael, the new Wither King, will bring back his army, as the monster warlocks predicted, and take their revenge on all of the Far Lands." Watcher is right to be suspicious. Krael, the self-proclaimed King of the Withers, and wearer of the Crown of Skulls, has a plan to bring back the vast army of withers that lie imprisoned in the ancient Cave of Slumber. With the help of a dozen ancient zombie warriors rescued by Krael, they seek to release the withers from their slumber and wreak havoc on the Far Lands. And the only thing in his path is a skinny little archer named Watcher.

Join the adventures of Steve and Jack and witness the awakening of these twilight bosses. Can they survive and defeat these 3 twilight bosses?

Krael, the Wither King, has been trapped deep underground, ending his reign of terror, and all the NPCs of the Far Lands have all put away their swords in peace except Watcher; the young archer still suspects Krael has bigger plans. He's right. In the darkness of the Cave of Slumber, Krael awakens the imprisoned wither horde, and with the help of creepers and endermen, the wither army is released from their rocky jail. They spread across the Far Lands, searching for the ancient Vault of Weapons which will make the army of withers indestructible. But one man alone holds the secret to the Vault's whereabouts: the Far Land's last living NPC wizard. Watcher and his friends must race to find the wizard before Krael and his army of monsters. But if they fail, a wave of destruction, led by the King of the Withers, will sweep across the landscape, destroying everything—and everyone—they know.

outcast. It is a place where history and civilization have been wiped away. There is no money, no taxation, no marriage, no census. Canudos is a cauldron for the revolutionary spirit in its purest form, a state with all the potential for a true, libertarian paradise--and one the Brazilian government is determined to crush at any cost. In perhaps his most ambitious and tragic novel, Mario Vargas Llosa tells his own version of the real story of Canudos, inhabiting characters on both sides of the massive, cataclysmic battle between the society and government troops. The resulting novel is a fable of Latin American revolutionary history, an unforgettable story of passion, violence, and the devastation that follows from fanaticism.
