century BC and is titled after its incipit, *Shutur eli sharri* ("Surpassing All Other Kings"). Only a few tablets of it have survived. The later "Standard" version dates from the 13th to the 10th centuries BC and bears the incipit *Sha naqba imuru* ("He who Saw the Deep", in modern terms: "He who Sees the Unknown"). Approximately two thirds of this longer, twelve-tablet version have been recovered. Some of the best copies were discovered in the library ruins of the 7th-century BC Assyrian king Ashurbanipal. The first half of the story discusses Gilgamesh, king of Uruk, and Enkidu, a wild man created by the gods to stop Gilgamesh from oppressing the people of Uruk. After an initial fight, Gilgamesh and Enkidu become close friends. Together, they journey to the Cedar Mountain and defeat Humbaba, its monstrous guardian. Later they kill the Bull of Heaven, which the goddess Ishtar sends to punish Gilgamesh for spurning her advances. As a punishment for these actions, the gods sentence Enkidu to death. In the second half of the epic, distress about Enkidu's death causes Gilgamesh to undertake a long and perilous journey to discover the secret of eternal life. He eventually learns that "Life, which you look for, you will never find. For when the gods created man, they let death be his share, and life withheld in their own hands". However, because of his great building projects, his account of Siduri's advice, and what the immortal man Utnapishtim told him about the Great Flood, Gilgamesh's fame survived his death. His story has been translated into many languages, and in recent years has featured in works of popular fiction.

The poems about the great King of Uruk are prefaced by notes on their historical and literary background

The ancient civilization of Mesopotamia thrived between the rivers Tigris and Euphrates over 4,000 years ago. The myths collected here, originally written in cuneiform on clay tablets, include parallels with the biblical stories of the Creation and the Flood, and the famous Epic of Gilgamesh, the tale of a man of great strength, whose heroic quest for immortality is dashed through one moment of weakness. Recent developments in Akkadian grammar and lexicography mean that this new translation, complete with notes, a glossary of deities, place-names, and key terms, and illustrations of the mythical monsters featured in the text, will replace all other versions.
