The frontiersmen : a narrative : Eckert, Allan W : Free ...
Allan W. Eckert was an American historian, historical novelist, and naturalist. Eckert was born in Buffalo, New York, and raised in the Chicago, Illinois area, but had been a long-time resident of Bellefontaine, Ohio, near where he attended college. As a young man, he hitch-hiked around the United States, living off the land and learning about wildlife.

It was even better the second time. The real Simon Kenton was a real larger than life person including Tecumseh, William Henry Harrison and George Rogers Clark. I only wish this book, and the others, Wilderness War, wilderness Empire, Dark and Bloody Ground, and Tecumseh would be made into a feature film.

Eckert has done the country an invaluable service by recording our early history from the French and Indian War to end of the Shawnee country. Since the film seems unlikely everyone should read each Eckert book. We both laugh and cry at tv reporters that ask our young college students basic history questions they are unable to answer.

The Frontiersmen: Allan W. Eckert: Amazon.com: Books
This is Allan Eckert's first book in his series "The Winning of America." It's the story of how Indian territory in the frontiers of the 1700s became the areas we now know as Kentucky, Ohio, and Indiana.

Access Free The Frontiersmen Allan W Eckert

The frontiersmen were a remarkable breed of men. They were often rough and illiterate, sometimes brutal and vicious, often seeking an escape in the wilderness of mid-America from crimes committed back east. In the beautiful but deadly country which would one day come to be known as West Virginia, Kentucky, Michigan, Ohio, Indiana, and Illinois, more often than not they left their bones to bleach beside forest paths or on the banks of the Ohio River, victims of Indians who claimed the vast virgin territory and strove to turn back the growing tide of whites. These frontiersmen are the subjects of Allan W. Eckert's dramatic history. Against the background of such names as George Rogers Clark, Daniel Boone, Arthur St. Clair, Anthony Wayne, Simon Girty and William Henry Harrison, Eckert has recreated the life of one

of America's most outstanding heroes, Simon Kenton. Kenton's role in opening the Northwest Territory to settlement more than rivaled that of his friend Daniel Boone. By his eighteenth birthday, Kenton had already won frontier renown as woodsman, fighter and scout. His incredible physical strength and endurance, his great dignity and innate kindness made him the ideal prototype of the frontier hero. Yet there is another story to The Frontiersmen. It is equally the story of one of history's greatest leaders, whose misfortune was to be born to a doomed cause and a dying race. Tecumseh, the brilliant Shawnee chief, welded together by the sheer force of his intellect and charisma an incredible Indian confederacy that came desperately close to breaking the thrust of the white man's westward expansion. Like

Kenton, Tecumseh was the paragon of his people's virtues, and the story of his life, in Allan Eckert's hands, reveals most profoundly the grandeur and the tragedy of the American Indian.No less importantly, The Frontiersmen is the story of wilderness America itself, its penetration and settlement, and it is Eckert's particular grace to be able to evoke life and meaning from the raw facts of this story. In The Frontiersmen not only do we care about our long-forgotten fathers, we live again with them.

An award-winning author chronicles the settling of the Ohio River Valley, home to the defiant Shawnee Indians, who vow to defend their land against the seemingly unstoppable. They came on foot and by horseback, in wagons and on rafts,

Access Free The Frontiersmen Allan W Eckert

singly and by the score, restless, adventurous, enterprising, relentless, seeking a foothold on the future. European immigrants and American colonists, settlers and speculators, soldiers and missionaries, fugitives from justice and from despair—pioneers all, in the great and inexorable westward expansion defined at its heart by the majestic flow of the Ohio River. This is their story, a chronicle of monumental dimension, of resounding drama and impact set during a pivotal era in our history: the birth and growth of a nation. Drawing on a wealth of research, both scholarly and anecdotal—including letters, diaries, and journals of the era—Allan W. Eckert has delivered a landmark of historical authenticity, unprecedented in scope and detail.

A biography of the Shawnee leader describes his vision to unite North American tribes into one powerful Indian nation capable of forcing back the encroaching white settlers and his attempts to do so. Reprint.

The Wilderness War is the eagerly awaited fourth volume in Allan W. Eckert's acclaimed series of narratives, The Winning of America. the violent and monumental description of the wresting of the North American continent from the Indians. Two hundred fifty years had elapsed since the Five Nations, the greatest of the Indian tribes, ceased their continual warfare among themselves and banded together for mutual

Access Free The Frontiersmen Allan W Eckert

defense. Their union had created the feared and formidable Iroquois League; their empire stretched from Lake Champlain, across New York to Niagara Falls. Theirs was a remarkable form of representative government that presaged our own, and their wealth lay in the vast, beautiful lands abundant with crops. As warriors they were unsurpassed - even the depredations of the recent French and Indian War could not diminish their prowess. But by 1770, the white men living in their land were fighting among themselves again, and war came once more to the Iroquois land.

The Conquerors is the story of Pontiac's uprising and the men involved in it: the conquering English, both soldiers and intrepid civilians, who undertook the dangers of the Indian trade for profit and the adventure of opening a new land; and, most importantly, the Indians, who refused to accept the yoke of the conquered and were driven to violence to protect their homes and their way of life from the encroachment of an alien civilization.

In the year 1771, a white boy named Marmaduke Van Swearingen was captured by Shawnee Indians in what is now West Virginia, but was then the edge of the American frontier. Impressed with his bravery, he was not killed but instead was taken to Ohio where he was adopted into the

Access Free The Frontiersmen Allan W Eckert

tribe and given the name Blue Jacket, from the blue shirt he was wearing at the time of his capture. The boy grew to excel as a warrior and leader and became the only white to be made a war chief of the Shawnee Nation. And the name Blue Jacket became famous throughout the Northwest Territory. The characters in this book were real people who lived the life and did the things herein recounted. Much of the dialogue is taken directly from historical records. Allan W. Eckert, author of *The Frontiersmen* and 39 other notable books, has taken all of the known facts of Blue Jacket's life and has woven them into a narrative of compelling interest, with a very different perspective on the way America was settled.

Based on a true but little known episode in Daniel Boone's life, Allan Eckert's first full-length novel re-creates the legendary frontiersman's severest test - the trial for his life at Boonesborough in 1778. A captain during the Revolutionary War, Boone faces court-martial and hanging for such high crimes as betraying his command to the Indians, conspiring to surrender Boonesborough, consorting with the enemy, and accepting favors from the British. And Boone pleads guilty to all of the actions detailed in the charges against him. But he also pleads not guilty to the charge of treason, and to the amazement of the court, he insists on defending himself - disregarding the advice of experienced counsel in favor of a plan only he himself knows. Strong, seemingly irrefutable evidence is added to the prosecution's case with

Access Free The Frontiersmen Allan W Eckert

each witness. To a man, they corroborate the capture of Boone and his company by Shawnee Indians, Boone's preferential treatment in the Indian camp.
