The Hating Game - IMDb

5 Stars!! I honestly think 'The Hating Game' is that kind of book anyone would enjoy - wonderfully written is a very entertaining way, griping from the very beginning and perfect if you love enemies to lovers stories. I've read many books with this trope, so trust me when I say Sally Thorne's debut novel was a great one. More than great actually.

The Hating Game - News - IMDb

You get a lot of good book from many other genres but what you rarely get is hilarious and genuine comedy in the books. Well, all thanks to Sally Thorne who released The Hating Game PDF in 2016 giving us a book which is full of real-time comedy and timing which is quite hard to achieve in a book. The way this book picks up humor is really impressive and you will be left laughing on the floor.
