The Slight Edge is the advantage you get from showing up and repeating simple positive daily disciplines in every area of life, consistently over time. It comes from the realisation that there's no such thing as quick success. Difficult things take a little time. Impossible things take just a little longer.

~~The Slight Edge Summary — Jeff Olson~~

The Slight Edge is an excellent, excellent book. If you want to be successful, the slight edge is your formula. It is in many ways similar in content to The Compound Effect, and both are excellent books because they go at the core of what it takes to be successful.
