When Liam Bates volunteered to visit lonely patients at his local hospital, he expected them to be able to talk back when he chatted to them. But, when he's assigned to visit a comatose man, he soon finds himself spilling out his whole life story in an effort to fill the silence. It's not long before the peace and comfort he finds in the man's hospital room becomes Liam's refuge from an increasingly hostile world. Vampire Marcus Corrigan has been trapped inside his paralysed body for over three years, unable to communicate with anyone. The chatty young man who visits Marcus quickly captivates him, and Liam's softly spoken words soon have him determined to rescue the boy from his current life, but,

unable to move a muscle, all Marcus can actually do is lay there and listen. There's only one thing that can wake up Marcus. There's only one thing that can save Liam's sanity. Everything is about to change for them both, and it will change with a kiss. Please Also Note: This is the second edition of this title. It has been tweaked and re-edited but the plot has not been changed.

A Kim Dower poem is a portal to a haunting universe of everyday life wrapped into poetic reverie. Lost languages, locomotives pummeling through dreams, taxi drivers thrown by the earth 's rotation, shadows in closets, vanishing carrots, men who exfoliate—all come together in this opus of shining and startling wisdom. At once rhapsodic, edgy and sensual.

Dahlia, weighed down by guilt and grief, must find a way to overcome her past in order to have a future with rock star River Wilde, who has come back into her life. Original. 50,000 first printing.

Top 20 Reasons He's a Slimy Jerk Bastard Jessa: To help you get over your train wreck EX, I've enclosed 20 envelopes. Each one has a reason why Sean is a jerk and not worth the dirt on your shoes. And each one has an instruction for you to do one un-Jessa-like thing a day. NO CHEATING! Ciao! -C When Jessa catches her boyfriend, Sean, making out with Natalie "the Boob Job" Stone three days before their drama club's departure to Italy, she completely freaks. Stuck with a front-row view of Sean and Natalie making out against the backdrop of a country that oozes romance, Jessa promises to follow all of the outrageous instructions in her best friend's care package and open her heart to new experiences. Enter cute Italian boy stage left. Jessa had prepared to play the role of humiliated ex-girlfriend, but with Carissa directing her life from afar, it's finally time to take a shot at being a star. "Instructions for a Broken Heart transported me-to Italy, back to high school, to the wrench and ache of a first breakup and the exhilaration of self-discovery...with multifaceted characters and realistic complexities, this unforgettable novel is a journey I'm so glad to have taken." -Eireann Corrigan, author of *Accomplice*

He captured my wrist, smooth black leather against my skin. The kiss was hungry, and urgent. His hard chest pressed me against the bricks and before I knew it, my hand rising to meet the wall. He had me. Gloved hand pinning my wrists above me. His finger at my temple. And his lips taking...taking...taking. The Hidden, we call them. Four Vampires who run this city west of the river. And my family runs the east. They're immortal beasts...more dangerous than my family, the Costello's. Only my dying dad has left behind a fuck load of trouble. One of them, a deal with these fanged beasts...a deal that's now gone south. Threats on my windshield, and a dead rat impaled on my door makes me confront these monsters. Elithien, the leader of the Vampire Clan wants to tell me the truth. Only it's a truth I don't want to believe. But somehow I always return to them. These Vampires invade my mind...and leave me craving their touch. Hurrow, Justice and Rule are possessive, and jealous and every bit the bloodthirsty hunters I knew them to be. I will fight the lies they tell me. I will hold on to the last traces of my sanity. I won't become a monster like them...not even for love.

For a girl who's suffered more than her fair share of loss and a boy who has everything he's ever wanted, seven minutes shouldn't change anything—except, they do. They change everything. Simone Bruckner is no stranger to heartache, so it stands to reason she avoids messy entanglements like making too many friends, or worse, actually finding a boyfriend in a school where she's been voted Girl Least Likely to do Much of Anything outside of working at a rundown diner. Boyfriends mean opening herself to the possibility of falling in love. Falling in love means the possibility of losing love. Why risk heartache with someone, especially if that someone isn't the guy she's already fallen for? The guy who's already off-limits. Whitney "Whit" Devereaux is on track for a lifetime of successes: an acceptance to Yale, following in the footsteps of his much revered grandfather, a beautiful girlfriend, who will surely one day wear his ring, by his side. Being with anyone else never even crosses his mind. At least, not before he finds himself locked in a closet with the one girl who should be off-limits. The girl whose kisses change everything he thought he knew.

"The latest romantic comedy from the author of *A Total Waste of Makeup* (2005) is funny and clever." - Booklist After listening to her closest friends' latest travails in love, parenting, and careers, superstitious bride-to-be Nicole (Nic) believes she has the perfect recipe for everyone's happiness: a bridal shower "cake pull" in which each ribboned silver charm planted in her cake will bring its recipient the magical assistance she needs to change her destiny. Melissa (Mel), still ringless after dating the same man for six years, deserves the engagement ring charm. The red hot chili pepper would be perfect for Seema, who is in love with her best male friend Scott, but can't seem to make their relationship more than platonic. And recently laid off journalist Nic wants the shovel, which symbolizes hard work, to help her get her career back on track. Nic does everything she can to control who gets which silver keepsake — as well as the future it represents. But when the charmed cake is mysteriously shifted from the place settings Nic arranged around it, no one gets the charm she chose for them. And when the other party guests' fortunes begin coming true, Mel, Seema, and Nic can't help but wonder.... Is the cake trying to tell them something?

From Lord Byron's "first kiss of love" to Kevin Costner's "long slow, deep, soft, wet kisses that last for three days," *The Book of Kisses* contains the most charming, witty and memorable quips to cross the lips of such famous and infamous kissers as Bette Davis, Elizabeth Taylor, Madonna, Boris Yeltsin, Walter Cronkite, and hundreds of others. The quotes cover first kisses (Errol Flynn, Elizabeth Barrett Browning) funny kisses (Jay Leno, Minnie Pearl), sensual kisses, romantic kisses, literary kisses, celebrity and movie-star kisses (Burt Reynolds, Kim Basinger), kissing definitions (Ingrid Bergman, Mickey Spillane), kissing proverbs, kissing advice and techniques (William Shakespeare, Louis Armstrong, Ronald Reagan), and kissing quotes from around the world. Who could forget legendary celluloid smooches like Marilyn Monroe and Tony Curtis's kiss in *Some Like It Hot* or Woody Allen and Diane Keaton's first kiss in *Annie Hall*? Or

the first time F. Scott Fitzgerald's Gatsby kisses his beloved Daisy: "at his lips' touch she blossomed for him like a flower"? From Earnest Hemmingway to Spike Lee, from Napoleon and Josephine to Ryan O'Neal and Farrah Fawcett, The Book of Kisses provides plenty of pucker power and passionate inspiration for anyone searching for words to describe that elusive, soul-touching thrill of the perfect kiss.
